Forecast for Saturday 28 Nov 2020

Weather: Cloudy overnight with perhaps the odd patch of rain, falling as snow above 750m. The cloud breaking up in the morning to allow some bright or sunny spells though may take until afternoon to clear over the south of the area towards Ben Alder..

Chance of cloud free mountain/hill tops above 800m: 30% overnight with lower cloud bases developing improving to 80% through the day but a slower improvement in the south

Visibility: Away from cloud generally moderate or good. Some glen fog patches possible though.
